

Math Calculus  
Algebra Math  
Calculus Algebra  
Math Calculus

Short Course in  
Mathematics for Computer  
Science and Engineering I

Application Deadline  
**3 July 2017**

### Course Aims

This course aims to equip participants with relevant mathematical techniques necessary for the study of university computer science and engineering subjects.

### Course Information

Mathematics for Computer Science and Engineering I

Teaching Hours : 20 hours, 8 Sessions (2.5 hours / session)

\*Logarithmic and exponential functions

\*Vectors

\*Complex numbers

\*Differential Calculus

\*Integral Calculus

### Course Fee

HK\$1,688 (Early-Bird : 1,435)

### Application

Fill in the application form\* with a cheque made to "Vocational Training Council" and send to "Department of Information Technology, C440, IVE(TY), 20 Tsing Yi Road, Tsing Yi, NT

Attn: Mr. M Y Cheung

\* Application can be completed on : <http://goo.gl/forms/Rpt7Va5RT3>

### Venue

Lab A203, IVE(Tsing Yi)  
20 Tsing Yi Rd, Tsing Yi, NT

### Date

10, 12, 17, 19, 24, 26, 31 - July and  
2 -August-2017

### Time

6:30 p.m. – 9:00 p.m.

### Course Enquiry
